Mr. John B. Hichborn
President, Pilgrim Helicopter
Services, Inc.
319 Investment Building
Washington 5, D. C.

Dear Mr. Hichborn:

Thank you for your letter of August 15, 1957, advising us of the commencement of your airborne operations.

Inasmuch as our building is not expected to be occupied until late 1960, we believe that it would be somewhat premature to plan for the type of service you offer at this time. In the meantime, we have placed the information that you have provided in our files for future reference.

Your interest in this matter is appreciated.

Sincerely,

L. R. White
Deputy Director
